Born 1973 Indulkana, APY Lands SA, Australia

## BIOGRAPHY:

Eric Barney is a wonderful artist, who grew up in Indulkana Community where he continues to live and work. Eric is a phenomenal painter and we are excited to showcase his works as the first male artist in the APY Art Centre Collective Micro Exhibitions.

Working with Iwantja Art Centre since 2008, Eric has been guided and mentored on painting techniques and protocol by the senior men at Iwantja Arts, Peter Mungkari, Alec Baker and Kumanara (Jimmy) Pompey. Eric is a dedicated painter and artworker, providing studio support for his fellow artists and working alongside the senior men on a number of collaborative artwork projects, along with his own artistic practice.
